

1. Email me as soon as you receive this summer assignment (jamieberrier@ccs.k12.nc.us).
2. Complete flashcard/identifications for the terms on this quizlet (<https://quizlet.com/292631460/ap-us-history-review-flash-cards/>). For each card, you must number them and put the time period. We will be using these cards throughout the semester, so it is absolutely essential that you have these completed.
3. Choose a book from the list and read it. For each chapter, take an index card and make a summary of important information and facts that help you remember the material. You will keep these index cards with your vocabulary. We will also use these cards to share information. You will be asked to recall information about the book you chose in an essay, in class, so it is important that you understand the text.
4. All of your materials are due the first day of school- no exceptions. I do not take work after due dates. If you will not be here on the first day of school, assignments can be turned in **early** into the office the week before school starts. It is your responsibility to get your summer project to me or contact me about any complications.
5. To be successful on the AP exam, I encourage you to purchase 5 Steps to a 5. Please make sure you purchase one no earlier than the 2015 edition. On Amazon.com they are listed for \$13.24 or less.

If you have any questions, please email me. Have a great summer!
